COMMUNICATION

Further to the telephone conference between David Lacey and the undersigned on March 19, 1993, applicants request that the U.S. Patent and Trademark Office reset the Period of Response to the Office Action in the above referenced application. The events leading up to this request are as follows.

1. On March 2, 1993, applicants' representative received the original Office Action mailed March 1, 1993. This Office Action was barely legible and virtually impossible to photocopy for forwarding to applicants. (A photocopy of the March 1, 1993, Office Action is enclosed.)

2. On March 8, 1993, Lawrence B. Bugaisky contacted Examiner Schwadron, requesting a better copy of the Office Action, and was informed that the Examiner would discuss this

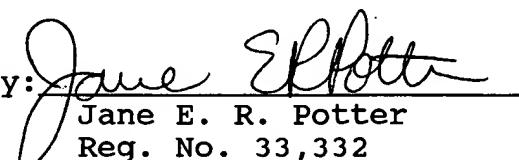

with his Supervisory Primary Examiner (S.P.E.), David Lacey. On March 10, 1993, Examiner Schwadron informed us that we must contact Mr. Lacey in order to get another copy of the Office Action. Mr. Bugaisky contacted Mr. Lacey on March 10, 1993, and was informed that the Examiner would attempt to send us a better copy.

The new copy was received at our office on March 18, 1993.

3. In a telephone conference between the undersigned and Mr. Lacey on March 19, 1993, Mr. Lacey indicated his willingness to consider resetting the date of the Office Action to March 19, 1993. In the conference, the undersigned noted that the U.S. Patent and Trademark Office required applicants to provide a copy of the entire prosecution history of this application, which could not be found, according to a letter from Robert A. Fenwick, Jr., dated September 15, 1992. Applicants submit that it is not unreasonable to request resetting of the response time to provide applicants with the full three months to consider the new copy of the Office Action. Therefore, applicants respectfully request that the time for response be reset in the above-referenced application.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER
